

## BWA 2019 Photography Competition Rules and Guidelines

Benbrook Water Authority (BWA) invites photographers to enter the Digital Photo Competition for its Water Plant Open House event. Please read the following rules, guidelines, and terms and conditions below before submitting any photos.

We are looking for striking digital images to celebrate the beauty of water. Submitted images should not include people; rather the focus should be on water. Images will be judged on these guidelines and also on their technical excellence, composition, overall impact and artistic merit. BWA shall determine the winners, at its sole and absolute discretion. All decisions made by the judges are final. Employees of BWA and their immediate family members are not eligible for this competition.

Each entrant must submit a signed entry form (on the back of this notice). Photos must have been taken by the entrant within the last 12 months. Entry forms can also be downloaded from the BWA website at [www.benbrookwater.com](http://www.benbrookwater.com).

A maximum of 3 photos per entrant must be submitted in digital format to the BWA on a USB stick, SD card, or CD/DVD **by 5:00pm on May 10, 2019**. Entries can be mailed to BWA at P.O. Box 26929, Benbrook, TX 76126, or submitted in person at 1121 Mercedes Street, Benbrook, Texas. A signed entry form must accompany all submissions.

Photo size must be a minimum of 1MB and in .jpeg format—we cannot accept any other format. Photos must not be retouched in any way.

Entrant retains all rights to any photograph submitted—including ownership if applicable. Upon signing the entry form, the entrant grants a royalty-free, nonexclusive right to BWA to use the submitted photographs for promotional purposes which includes, but is not limited to, publication on/in BWA's websites, social media, and annual water quality reports. As conditions of this permission, BWA shall credit all photographs used for such purposes with the photographer's name.
